NEXT MEETING - - Friday, April 2, 1971, 7:30PM at QTH of K4BVD/6.

Rusty has opened his bachelor's pad to the NCCC next Friday, so let's all go soak up some of that good southern hospitality! Rusty lives at 2250 Latham St., Apt. 27, Mountain View. Phone 969-3612. His apartment, in the Latham Square Apartments, is near the diving board end of the swimming pool - bring your own binoculars.

From the Bayshore: Take Rengstorff Ave. to Latham St. (2 miles).

Right on Latham (200 yards) to 2250 Latham.

From 280: 1) Coming from S.F., Take Page Mill to El Camino. South on El Camino about 2 to 3 miles to Rengstorff. Left on Rengstorff one block to Latham. Left on Latham to 2250.

2) From San Jose, take Hwy 85 to El Camino. North on El Camino to Rengstorff (about 1½ to 2 miles). Right on Rengstorff one block to Latham St. Turn left onto Latham and look for the swimming pool.

PROGRAM - - Famous DXer Returns from the Old Country.

Although our guest speaker hasn't been officially informed that he is to speak, I'm sure that we will be able to shame Al Higbie, DL4QQ/WA6PMK into giving us the lowdown on DXing from West Berlin. Al recently returned from a tour of duty there and, according to our president, will be at our meeting.

NEW MEMBER - - Fred, WA6BVY.

Our newest addition to the club was voted in at the Feb. 26 meeting, after it was learned that he has been heard on CW! Details:

WA6BVY Fred Harper

BY-LAWS AMENDMENT - -

All members will find a postcard enclosed with this bulletin for the purpose of voting on the By-laws amendment mentioned in the last Jug. A quorum was not present at the Feb. 26th meeting, so a postcard poll becomes necessary. The petition for By-laws amendment has the effect of removing the mandatory submission of scores in behalf of the NCCC by NCCC member participants. The text of the petition is as follows:

"So that the purpose of the Northern California Contest Club may be carried out in the spirit expressed by Article I, Section 2 of the club constitution, we, the undersigned, being full members of the Northern California Contest Club, petition that Article II Section 5 of the constitution be amended by deleting the present text and inserting the following in its stead:

Section 5 Full members may submit their contest scores in the name of the Northern California Contest Club."
